

# Jacquie's Mandala Colouring Book

## **A note from me...**

My gift to you is this beautiful inspirational colouring book filled with my favourite mandalas to get your creative energy flowing and acknowledge your own potential.

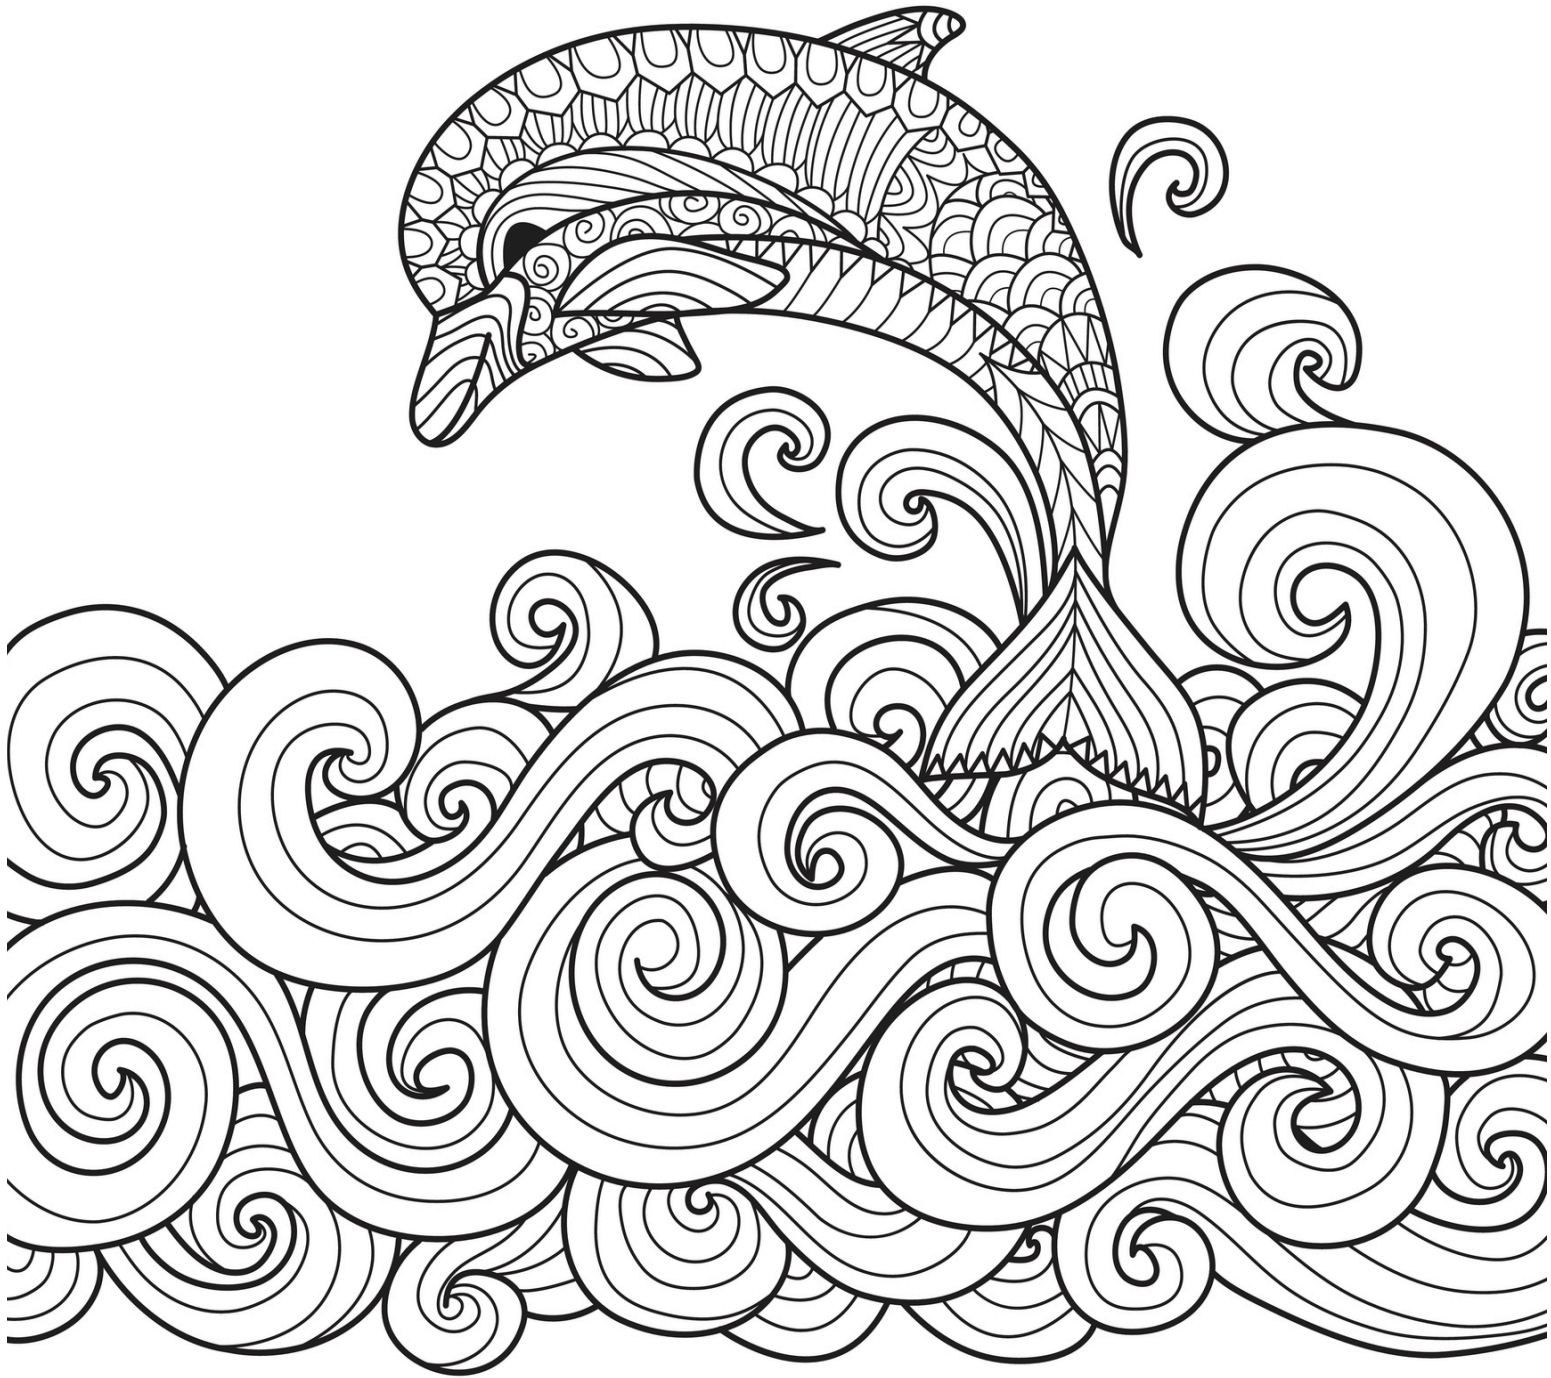

Mandalas promote healing, limitless potential, and positive states of being. As you add colour to these unique patterns, I hope you feel expressive and alive!

Happy colouring!

**I make time for creativity and play**

I offer energy to what I enjoy

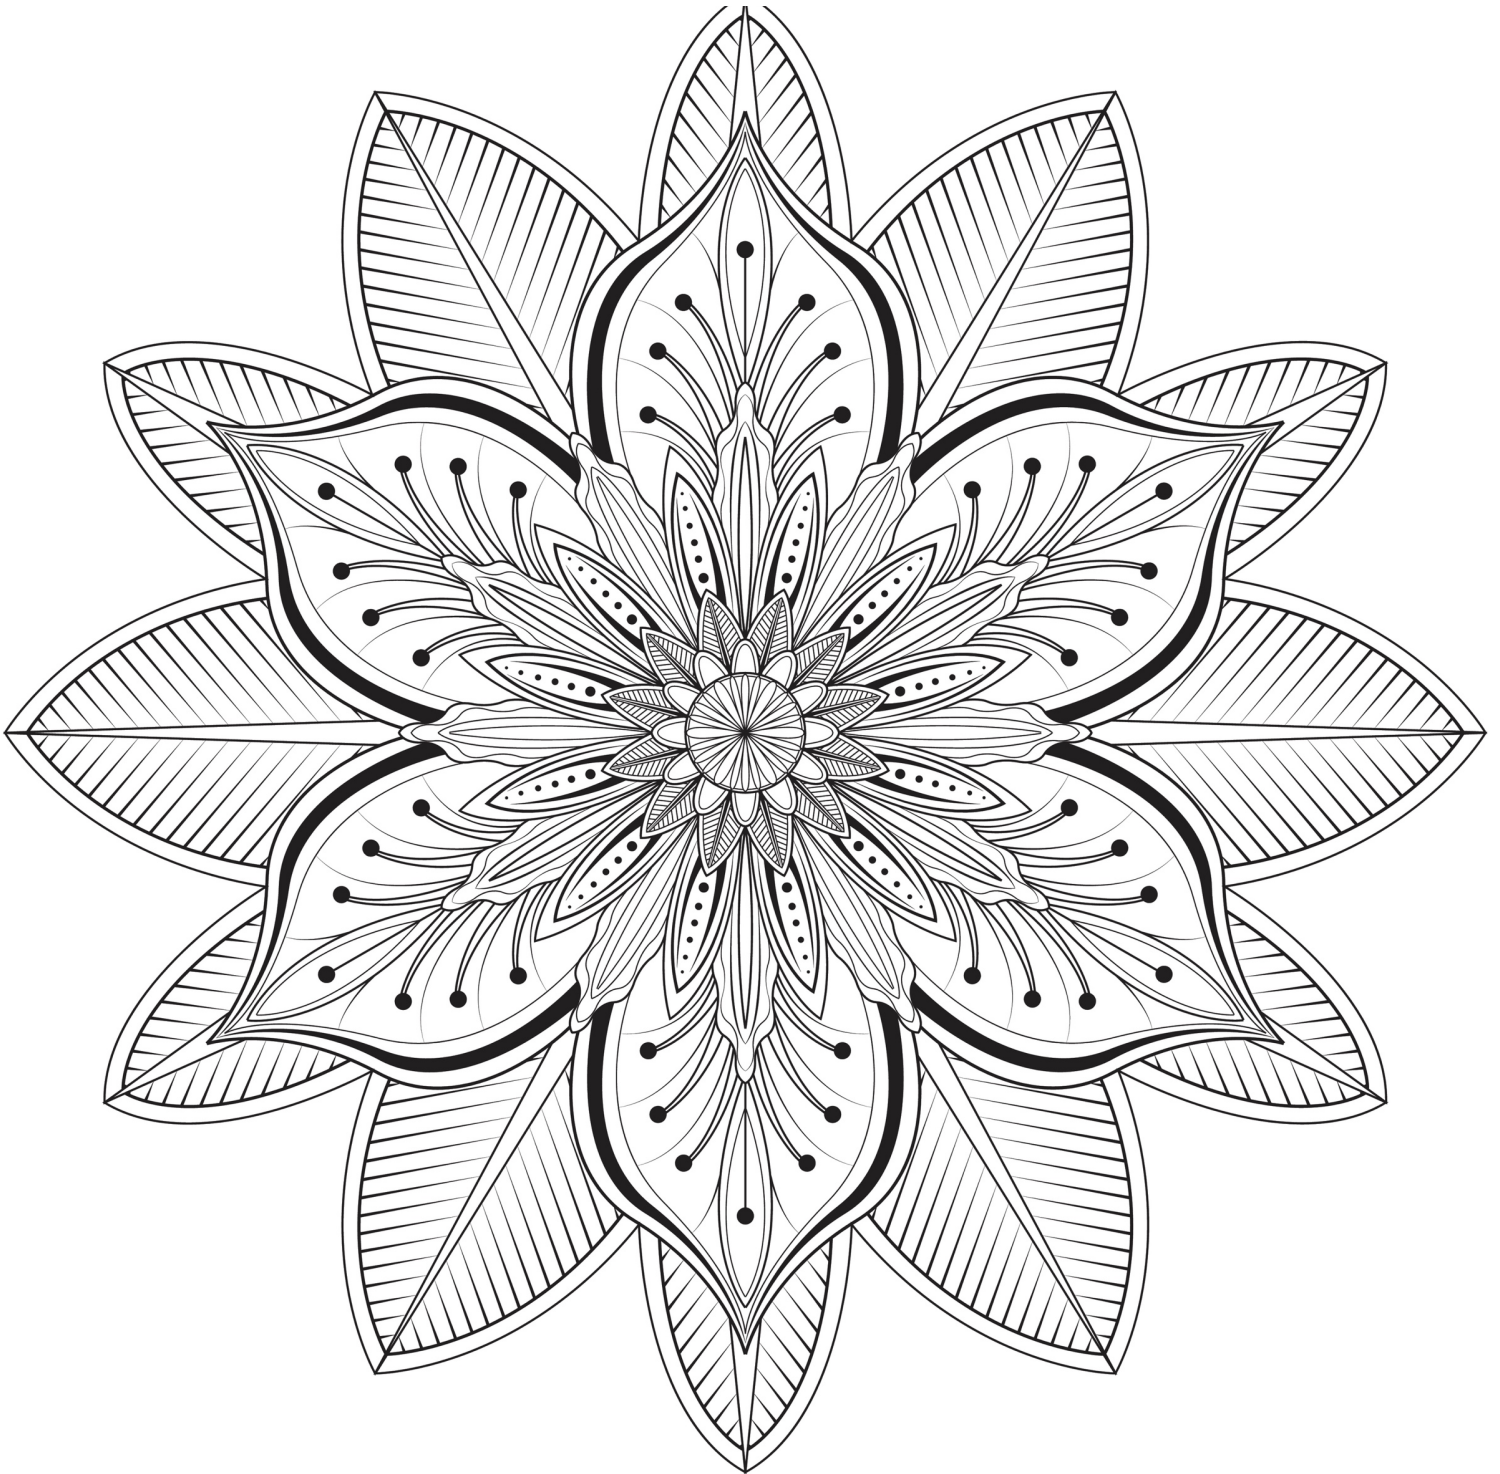

# Nurture yourself...

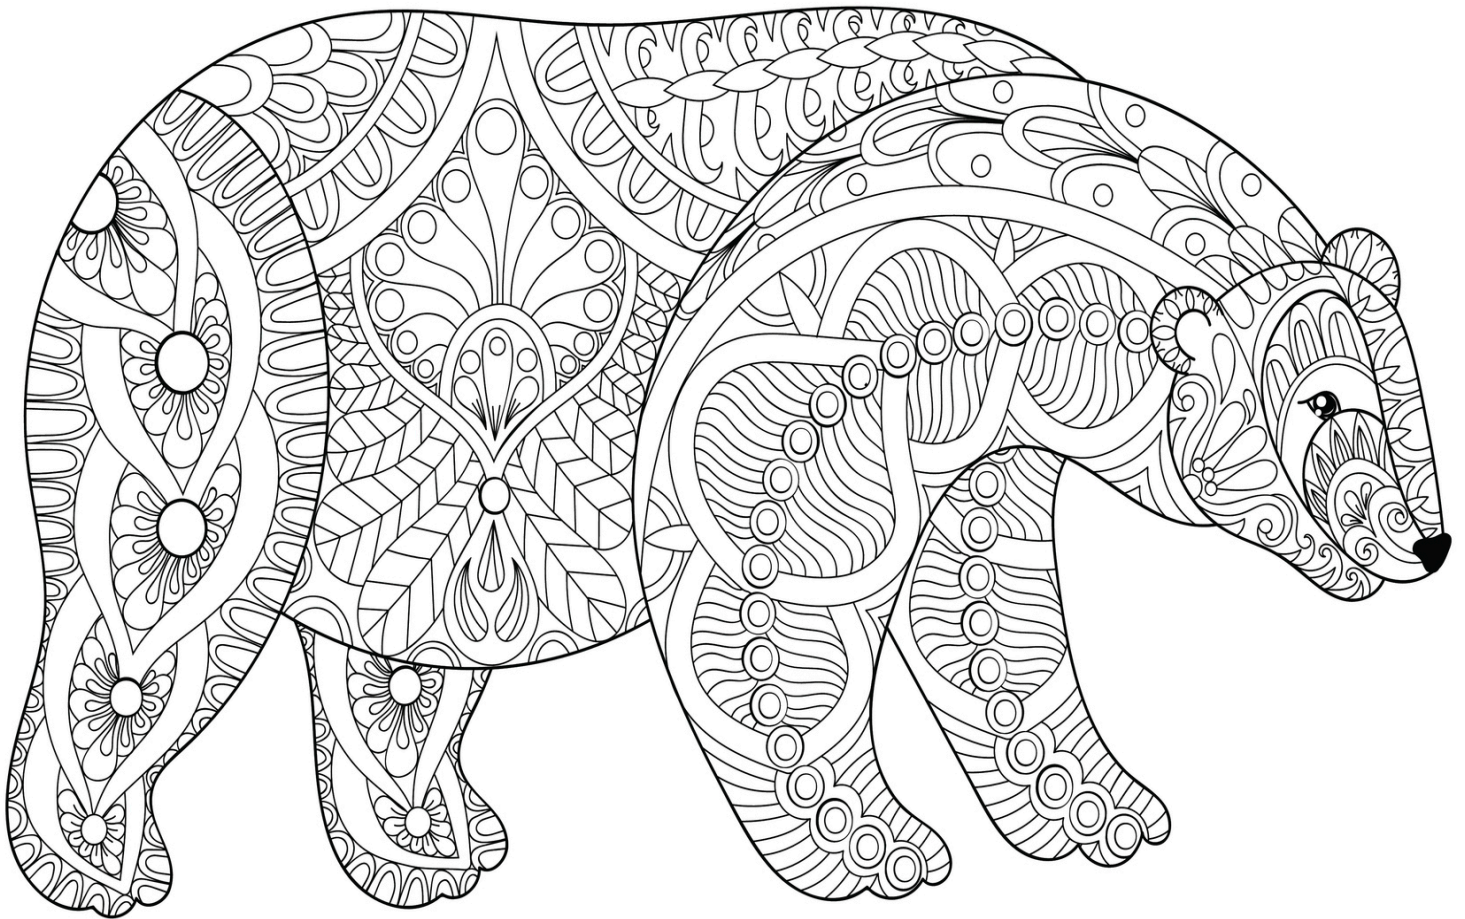

**Live in full colour!**

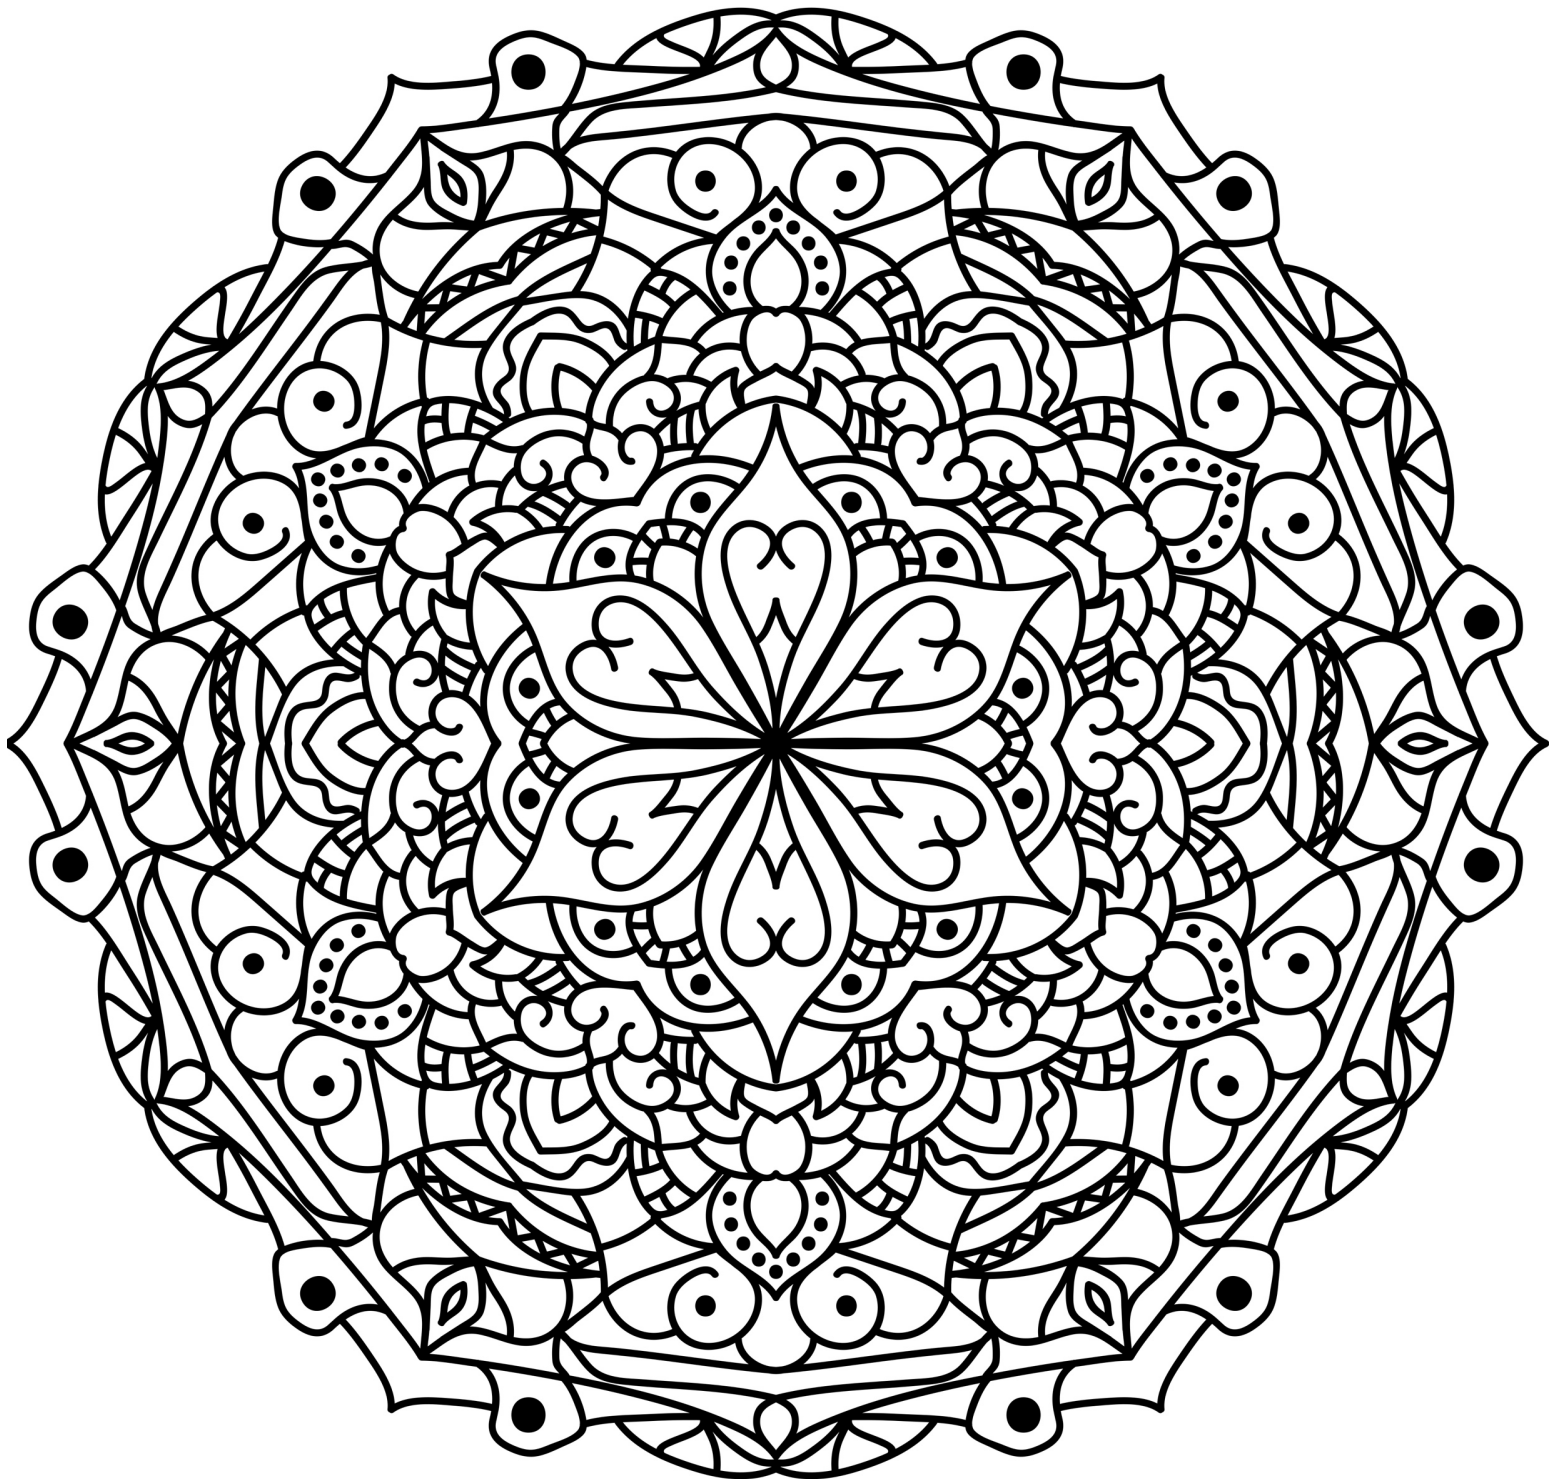

**Big lessons precede big growth!**

I am light. I am light. I am light.

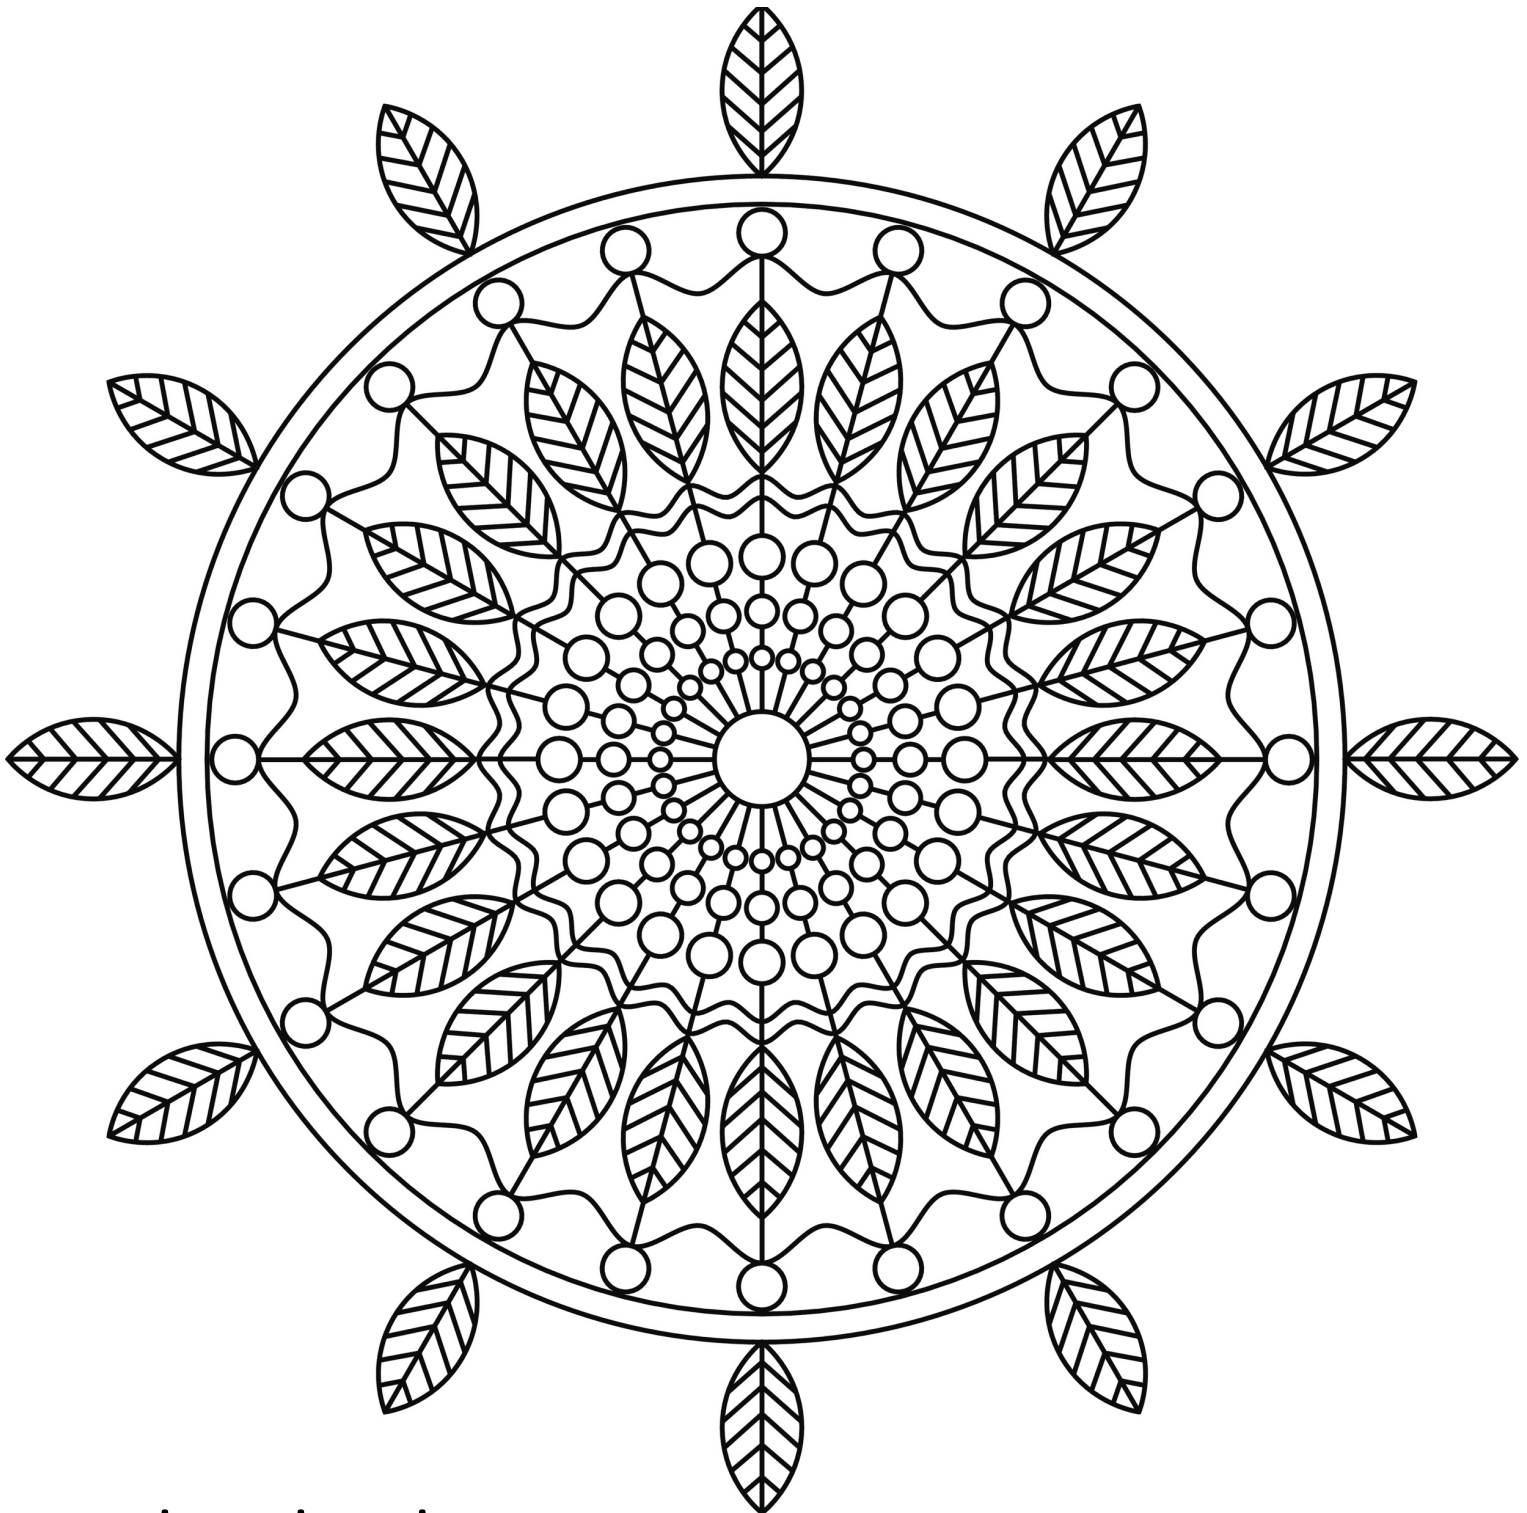

Love yourself SO big!
